Subject: Family Day Care Home Advisory Council

It is with great pleasure and excitement to inform you that the Child and Adult Care Food Program (CACFP) has established a Family Day Care Home Advisory Council. The purpose of this council is address issues that directly affect Day Care Home Sponsors and their providers, along with strengthening the relationship and rapport between sponsors and CACFP.

The advisory council held its first meeting on March 7th and the minutes from that meeting are attached. I will send the minutes from every meeting to all the sponsors in an effort to keep everyone informed of the status of the items we cover.

I would also like to thank those sponsors who agreed to sit on the council. Their input and insight will be valuable and I look forward to working with them.
